COUNCIL OF MINISTERS HOLDS PERIODICAL MEETING

ADEN, Feb. 14 - ANA - The Council of Ministers held its periodical meeting before noon today under Brother Ali Nasser Mohammad, CC Secretary General and Chairman of the Presidium of the Supreme People's Council and Premier.

The Council stood before the issues on its agenda including reports pertaining to development and improvement of some central information machineries and also the local ones in the governorates of the republic.

The council also approved the agreement concluded between the two parts and pertaining to the geological project for exploitation of the natural resources which aims at undertaking geological surveys for specifying the places of water and minerals between both parts. The Council also listened to a report on the discovery of the subversive gang arrested recently by the security institutions. The Council praised the high vigilance adorned by the State security institutions and the preparedness of our masses constantly to foil any bids aiming against our progressive national regime.

ALI NASSER RECEIVES CHINESE AMBASSADOR IN ADEN

ADEN, Feb. 14 - ANA - Comrade Ali Nasser Mohammad, CC Secretary General and Chairman of the Presidium of the Supreme People's Council and Premier received at his office at noon today the Comrade Ambassador of the People's Republic of China in Aden on the occasion of the expiry of his term of office as Ambassador of his country to Democratic Yemen. During the meeting they reviewed the relations of friendship and cooperation existing between the two friendly countries to serve the interest of the two peoples and the progress of implementation of the projects being carried out by the People's Republic of China in our country.

In turn, the Chinese Ambassador expressed his thanks to the Comrade Secretary General and the officials in our country for the assistance extended by him for implementing his assignment.

The Secretary General asked him to convey his well-wishes to the Chinese leaders.

ABDEL GHANI ABDEL QADER RECEIVES SOVIET DEPUTY EXTERNAL

TRADE MINISTER

ADEN, Feb. 14 - ANA - Comrade Abdel Ghani Abdel Qader, Member of the Political Bureau and CC-Secretary received at his office this morning Comrade Mikrov, Soviet Deputy External Trade Minister. During the meeting they reviewed the bilateral relations in the field of external trade between the two friendly countries and ways of their consolidation and development.

The meeting was attended by Comrade Felix Fedetov, Ambassador of the U.S.S.R. in Aden and the Brother Abdullah al-Gifri, Deputy Minister of Trade and Supplies.

FOREIGN MINISTER RECEIVES SOVIET AMBASSADOR IN ADEN

ADEN, Feb. 14 - ANA - Comrade Salem Saleh Mohammad, CC Member and Minister of Foreign Affairs, received at his office this morning Comrade Felix Fedetov, Ambassador of the U.S.S.R. in Aden. During the meeting they exchanged points of view on the international conditions and the developed bilateral relations between the two friendly countries.

ASSESSMENT SESSION OF FIRST TRAINING STAGE OF 1981/82 ENDS

ADEN, Feb. 14 - ANA - Brigadier Saleh Mosleh Qassem, Member of the CC of the Yemeni Socialist Party and Minister of Defence, ended this morning the assessment session of the first training stage of 1981/82 with a speech in which he dealt with the total issues having relation with promotion of the combat ability of the armed forces and their current tasks.

The session discussed a number, of tasks implemented during the first training stage and assessed the activities of the commanders and political bodies aiming at consolidating the combat ability of the military units. It also stodd before the resolutions and outcome of the ninth session of the Supreme People's Council in connection with the new modifications of the National Military service which stipulated that the Minister of Defence has right, when necessity calls in the name of the general interest and the cause of defending the homeland, to extend theperiod of national military service to three years. It is worth mentioning that a resolution was adopted in the Supreme People's Council into which a legal clause was introduced providing for intensification of punishment on any one employing any of those needed to perform military service or any one reaching the age fit for military conscription but did not register himself in the conscription centres.

....4/.....

ASSESSMENT SESSION - Cont'd.

As to the first brilliant ten of those who graduated from the general secondary or specialised courses they will be given, in accordance with the new legal modification, the priority to continue university studies in the inside and outside provided they perform military service at the completion of their university studies on the consideration that military service is a national duty covering all.

In the light of this the participants in the assessment session valued the results and resolutions of the Supreme People's Council in connection with consolidation of the defensive ability of the country and praised the new modification of the Military Service ordinance and regarded it as one of the means essential to consolidate and develop the defensive ability of the country for protecting the homeland and the progressive accomplishments achieved by the Yemeni people. The closing of the session was attended by Colonel Ahmed Salem Ubaid, CC Member and Deputy Defence Minister and Director of the Political Division and Comrade Abdullah Ali Ulaiwah, First Deputy Defence Minister.

NATIONAL LEADERSHIP OF PEOPLES DEFENCE COMMITTEES ORGANISATION
ISSUES A PRESS STATEMENT IN CLOSING SESSION.

ADEN.FEB.14TH ANA.

The National Leadership of Peoples Defence Committees Organisation concluded its third ordinary session yesterday evening. Br. Suleiman Nasser Mohammed CC member and Chairman of the National Leadership of the Peoples Defence Committees Organisation issued a press statement on the session activities in which he clarified that the session discussed a number of topics on its agenda including a report on the activity of the Secretariat in between the two sessions, an assessment report on what was accomplished of the organisation plan during 1981 and its draft plan for the current year of 1982.

The statement said that the session gained a special importance for it comes after the holding of the fifth session of the CC of the Yemeni Socialist Party and the ordinary session of the CC of the Yemeni Socialist Party and the ordinary session of the Supreme Peoples Council which adopted important resolutions aimed at developing the daily life of our masses

and will consolidate the role of our Party in the leadership of the current revolutionary process in our country.

The statement affirmed that the session accorded great importance to various directives issued by the CC of the Party and translated them into practice, as it drew up the plan of the organisation this year in the light of the directives of the CC of the Party and daily tasks of the Peoples Defence Committees Organisation amidst people.

The statement clarified that the issue of strengthening the organisations role in taking part in the strengthening of the security condition and helping the security and Defence machineries in our country occupied main concern for assisting security machineries in revealing different conspiracies and subversions being woven against our regime by the imperialist and reactionary forces hostile to our revolution and to stand firmly against these subversive acts aimed at our progressive regime under the leadership of the Yemeni Socialist Party..

Therefore the National Leadership stressed upon the necessity of promoting the level of revolutionary vigilance of our organisation members and carrying out the night watch in the residential quarters and units and the economic sites to safeguard our revolution and peoples against various kinds of conspiracies and sabotage being woven by the enemies of our people.

The session adopted a number of important resolutions aimed at developing the activity of the organisation in every residential site and the relations of the organisation with the various state machineries.
